

Mango fruit puree

Fresh-frozen fruit puree in portions

Only the best fruit is selected for these purees, which are prepared using a pasteurisation process. This ensures that they retain their original natural flavour and aroma without colouring agents, added sugar or preservatives. Delicious fruit purees that can be used directly in sorbets, ice cream, coulis, cocktails, smoothies, tarts, and many other dishes.

INGREDIENTS

100% pure fruit - frozen pasteurized product.
